

The Block would love to partner with your organization to offer digital and decentralized financial literacy education for all who wish to be equipped with the knowledge and tools to confidently modernize their financial strategy. Listed below are tiers of participation, and we are available to discuss alternative channels of collaboration as well. To learn more, visit www.thefzc.io and to connect further, please contact keisha@thefzc.io

Presenting Partner

\$5,000 USD

Help **The Block** provide physical materials to supplement curriculum and maintain a consistent venue for teaching, both IRL and virtually.

Ecosystem/ Community Partner

\$10,000 USD

Help **The Block** provide courses to students in-person nationally, and increase the number of students onboarded into your ecosystem.

Foundation Partner

\$10,000 USD

Help **The Block** contribute to participants' digital financial freedom with contributions from your foundation.

Who We Are?

The Fuzzy Cow Podcast was created to satisfy the financial world's need for undiluted, non-convoluted commentary around cryptocurrency. Whether it's diving deep into exploratory discussions around defi market trends and tools, or explaining current events in crypto culture in relatable ways for the native and non-native alike, The Fuzzy Cow is a podcast meant to educate, entertain and enlighten with a commitment to contributing integrity and clarity to the conversation about crypto.

What We Do?

The Block is a financial advocacy and educational initiative aimed to equip and actively engage the Women, Gen Y and Gen Z communities through providing them tangible tools to become digitally financially literate along with foundational knowledge to participate in today's modern economic landscape.
